

**DAIRY CATTLE HANDLER Career Development Event**

1. The purpose of this activity is to create more interest in, and a better knowledge of showing livestock, as well as to properly present the animals to the contestants.
2. Each region is allowed to enter contestants at the state CDE as listed in the team quota sheet.
3. Participants will show for the Dairy Cattle Judging CDE. They will be judged on their ability to properly present the animals to the judging contestants. The contestants have not participated in either the preparation for, or the finishing of the animal for exhibition so these will not be factors.
4. Official dress is NOT recommended for this CDE. Contestants can use dairy whites or other appropriate clothing. The score card used follows:
